

CALBO PUBLICATION ORDER FORM

CALIFORNIA HISTORICAL BUILDING CODE COMMENTARY - 2015 Edition

Authors: Dan Chudy, Ph.D., CBO, CASp, LEED AP, Richard T. Conrad, FAIA, CBO and David Cocke, S.E.

This resource was created to provide a basic level of understanding of the California Historical Building Code (CHBC). There are different sections to help readers understand many of the following areas within the CHBC, including Mechanical, Plumbing and Electrical Requirements, Fire Protection, Means of Egress, Accessibility, and Structural Regulations. Please note: this resource should be used in conjunction with the California Historical Building Code and not as a substitute for the code.

\$50.00 per book plus tax and shipping
